The Search for Truth

A Time to Live

we dedicate our yearbook
to these
who are themselves dedicated

Beginning a new school requires sincere devotion from the principal, the faculty, and us, the students. Being new, we have all had to learn by trial and error. Had it not been for your enthusiasm and determination, Miss Henry and Mr. Cagle, we would never have attained the high ideals set for us. So to you we dedicate this, our first "Markseter." With your continuous dedication to us and our long lasting dedication to you, may we always maintain the high standards of H. S. Lasseter and Mark Smith High Schools.

She is
as pleased with Lasseter
as we are.

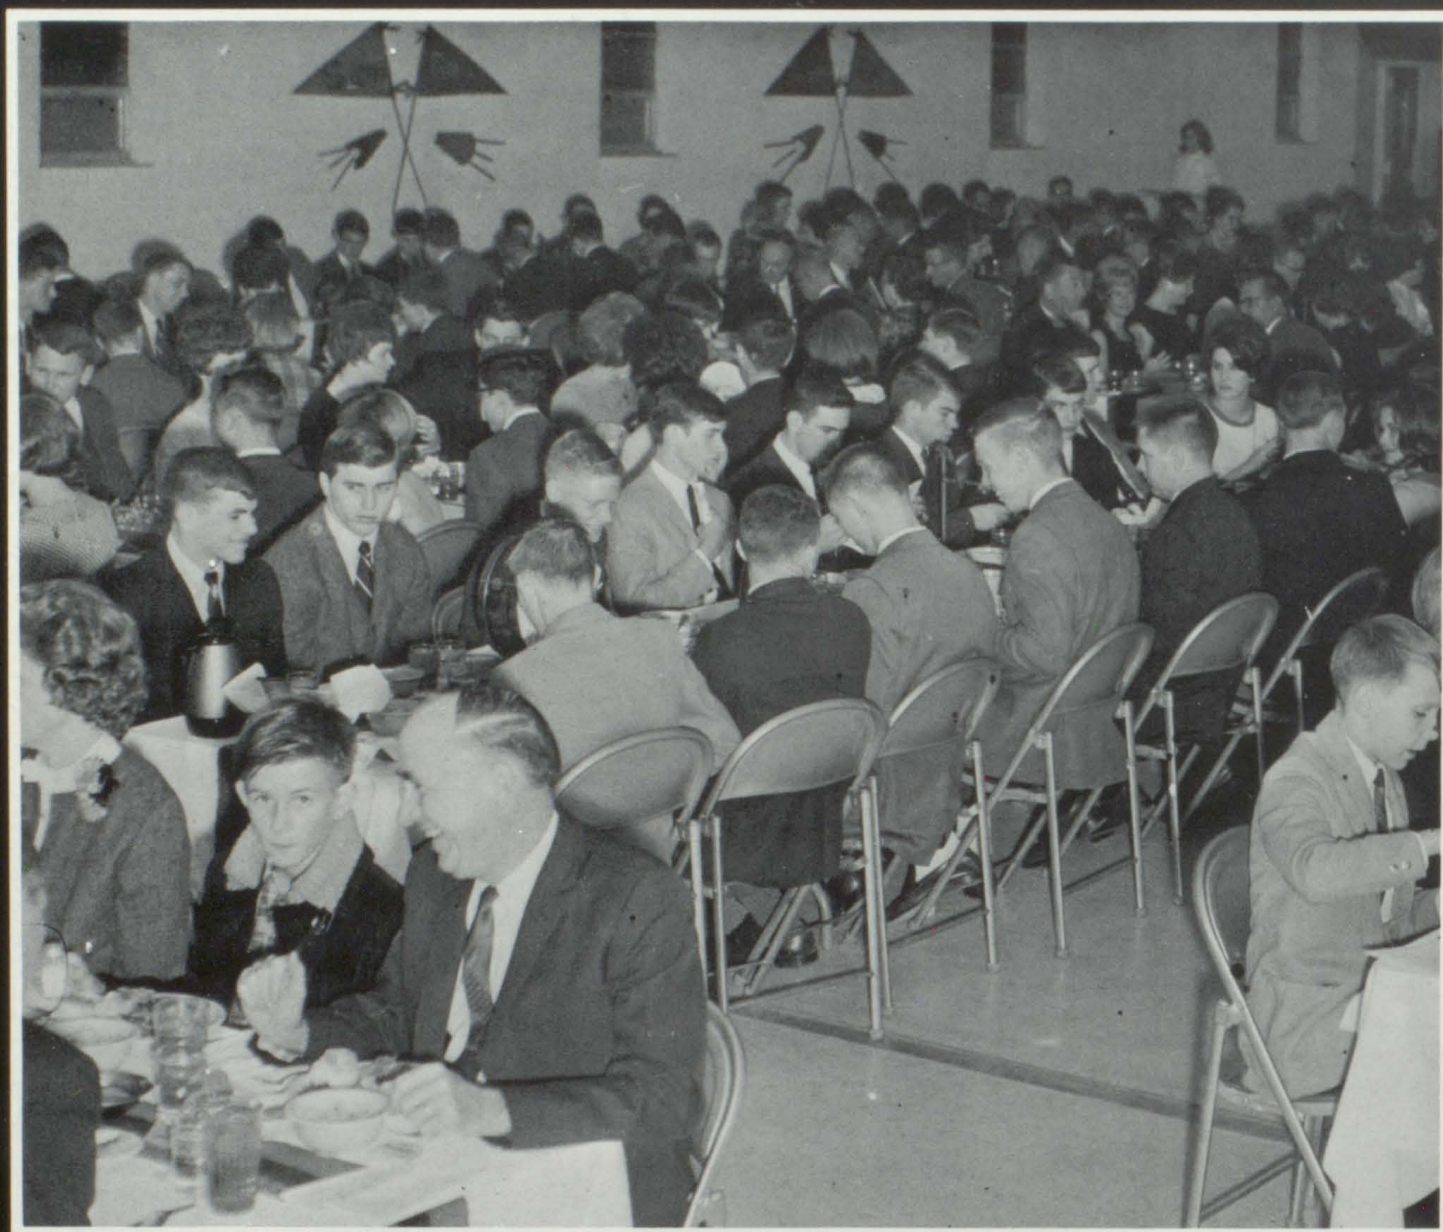

... a true friend to all.

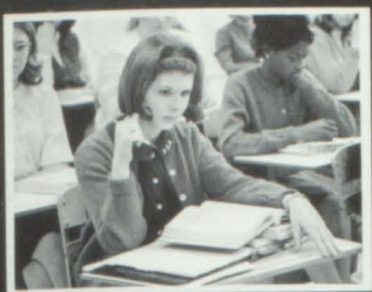

Everything
seems to happen
at once.

Promptness
is one of his many
qualities.

FOREWORD

To be the first at something yields a wonderful feeling. This year, our first, we were able to feel the thrill of being new. The classes, the football, the laughter, the tears were all special for they were the first. The annual staff of H. S. Lasseter and Mark Smith High Schools has tried to capture in these pages all the exciting moments that we experienced as we took part in making 66 such a great success. Even if we all remember this year differently, we will surely never forget one thing—that this was the beginning.

PIONEERS

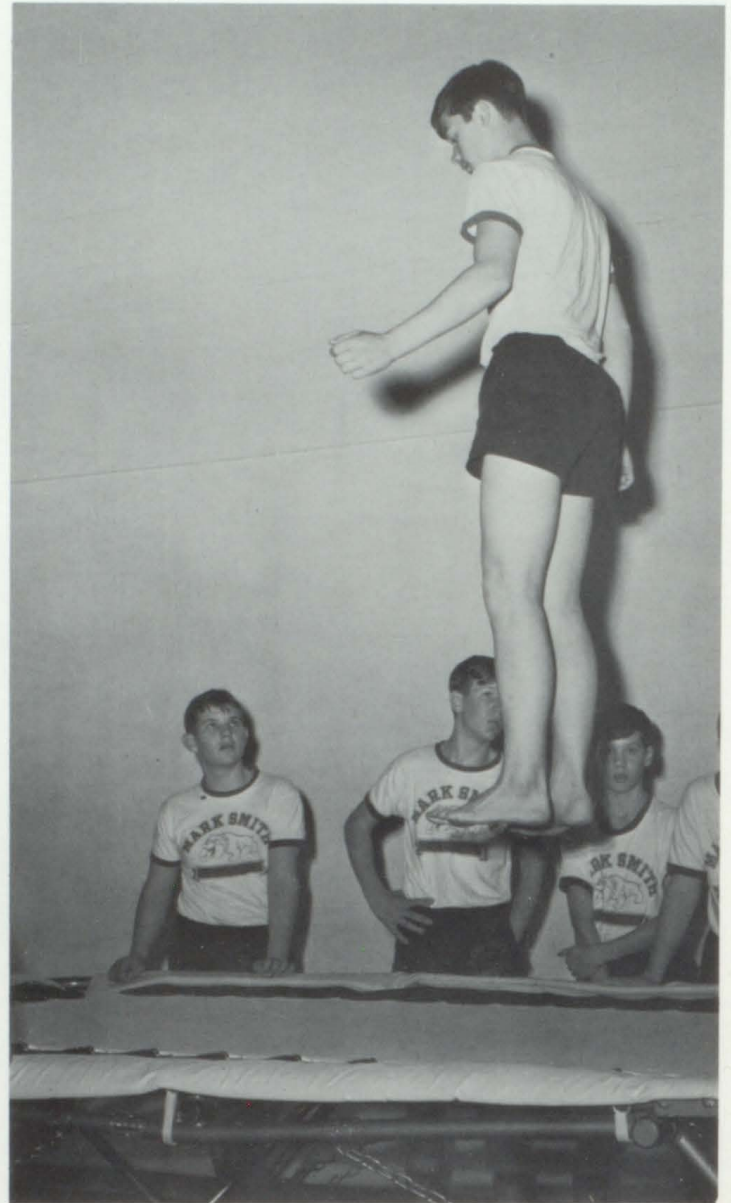

Practice makes perfect

The
littlest
angel

Absolutely shocking!

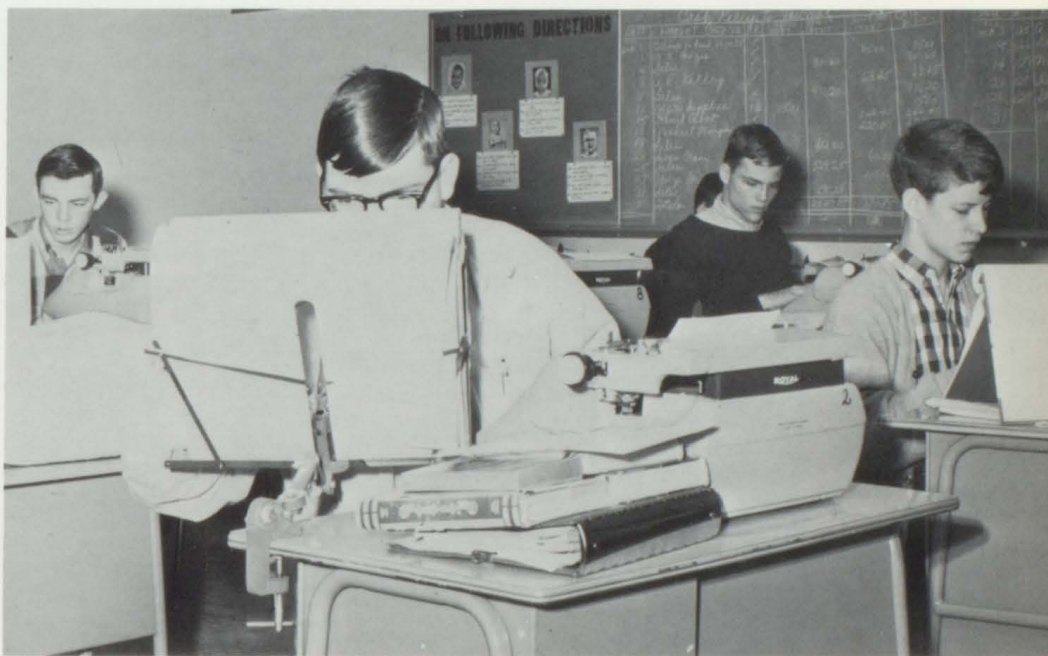

It's as easy as walking on air.

What's the matter, Kay?

Oh, the joy of being alive!

That's what you get for throwing spitballs!

Hmmm, let's see here . . .

Hey, It really works!

This work is so exciting!

Aw c'mon Sue—it's not that bad!

Charade!

Simon says . . .

Beauty is only skin deep

Now, girls, when you press that little button . . .

Let's see here, one nickle and two dimes is . . .

Get out, Harvey. You rode yesterday!

No words needed

Nothing says loving like something from the oven.

"But Mr. Small, it says here that Batman can . . ."

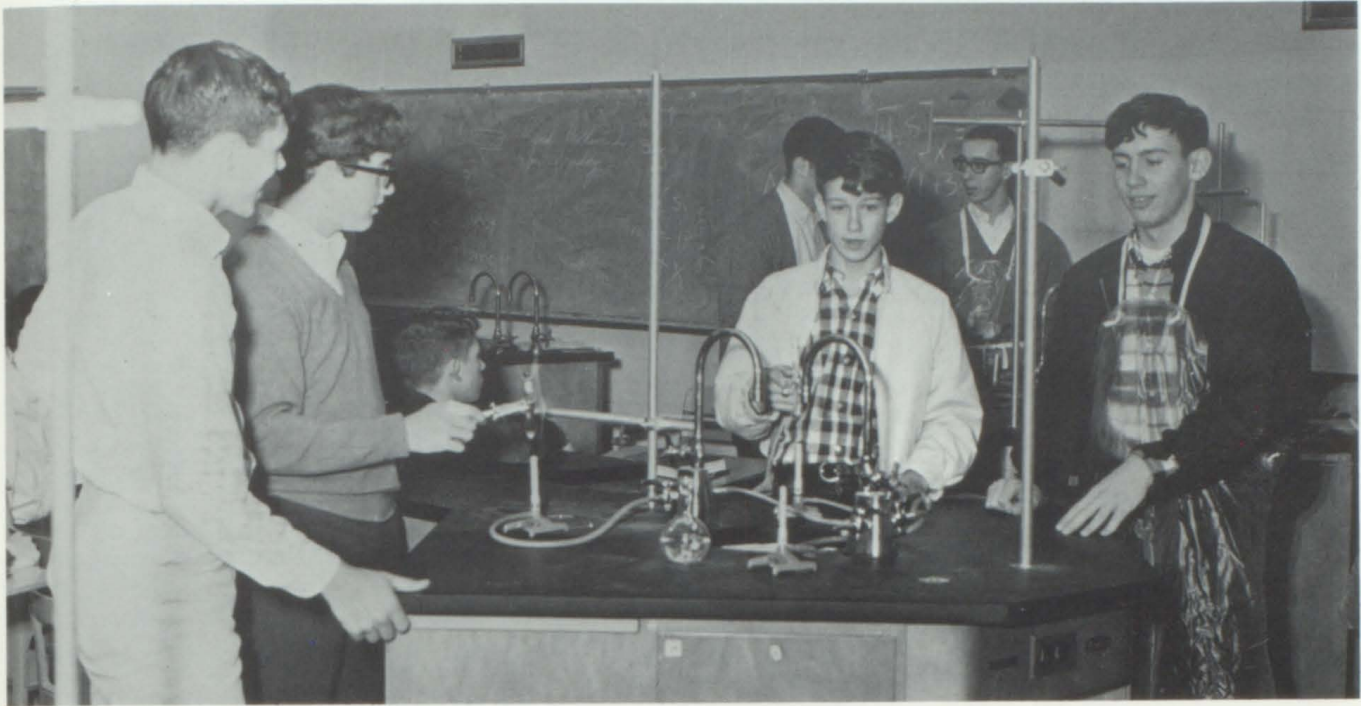

"Merry Christmas"

Watch out—he's on one foot!!

As Kitty weakens,
008 Stephens
slips a little
more deadly poison
into her drink.

Hey, fellows, you might think I'm kidding, but . . .

Contemplation

Excuse me, but we had planned only 2 to a person.

Ever tried smiling?

Buy a WHAT?

Hurry honey, here they come!

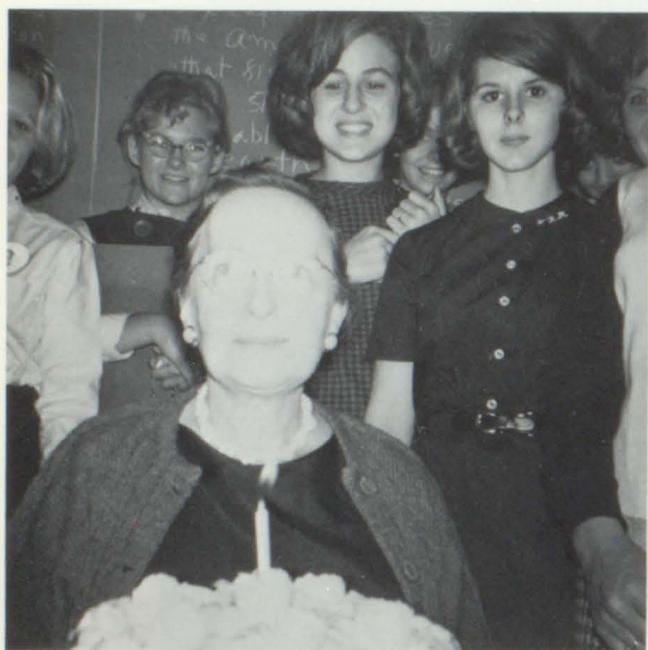

Stick 'em up!

Say it bit you?

Jump back baby!

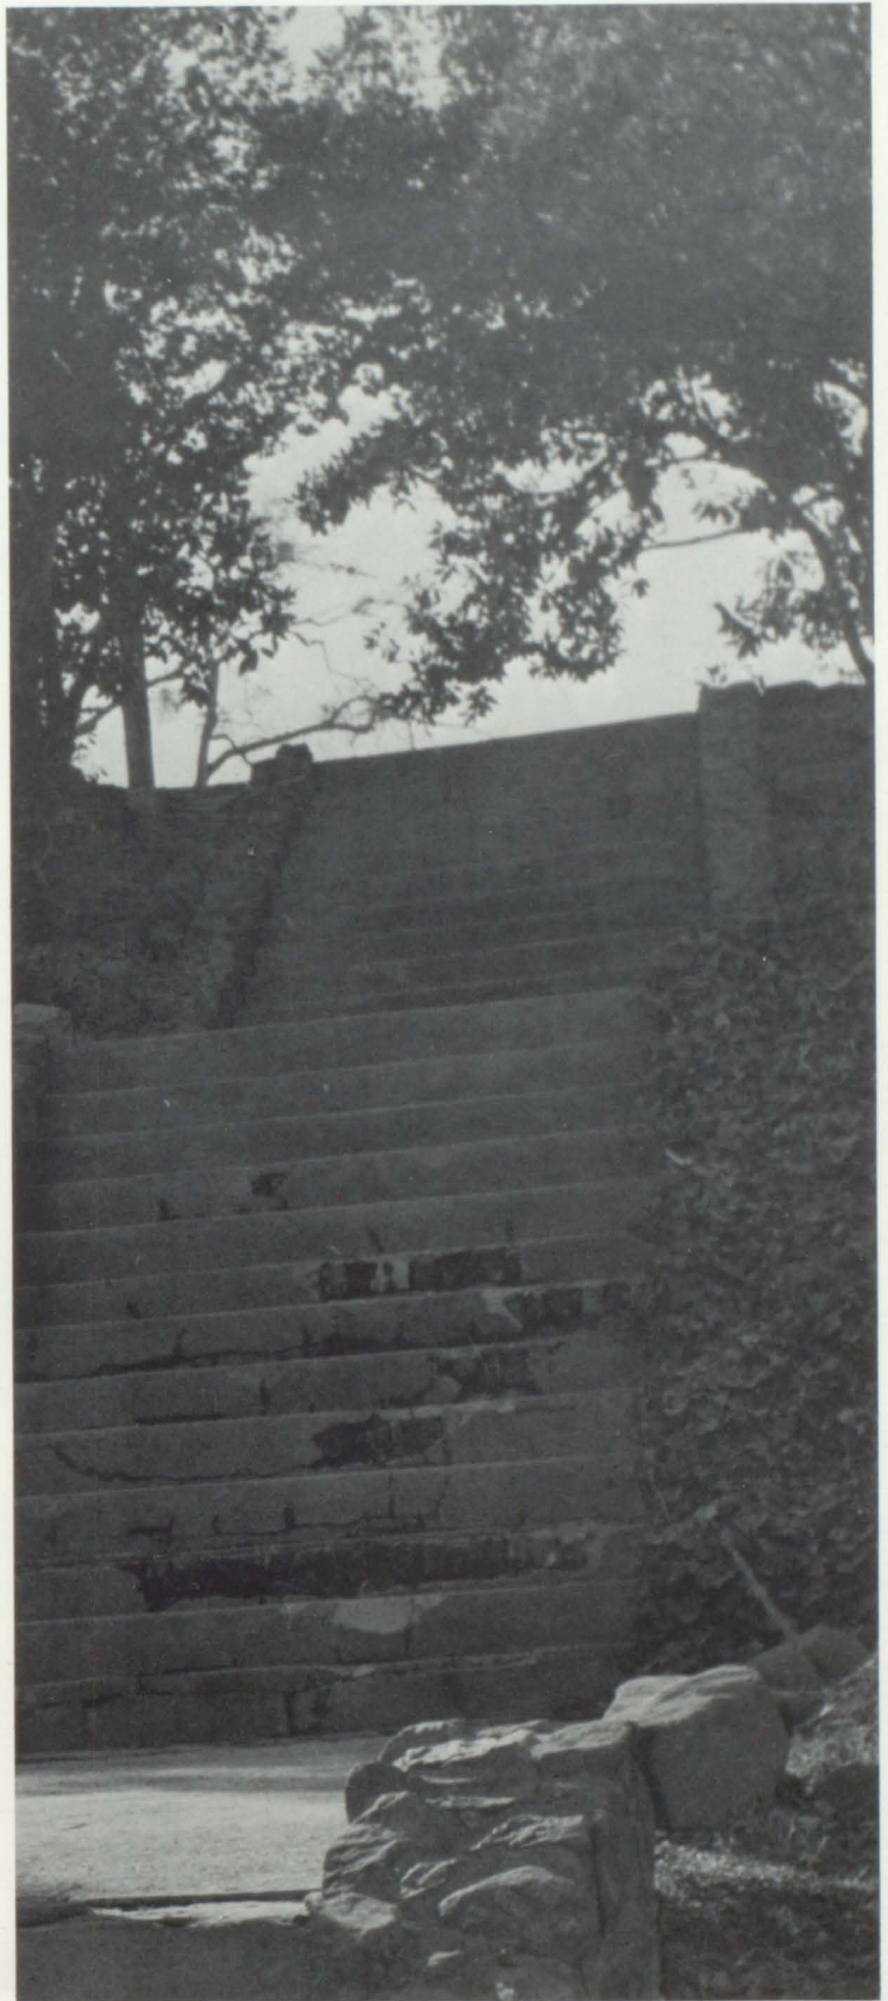

"Only one year old?!"

"Hmm, which book to read?"

The year ends. We look back to see the hills we have climbed. Our thoughts reflect back to incidents that have since become memories. In a way we are sad for we know there can never be a year quite like this one. Never again will we experience the thrill of being new. In the midst of our reflections though, we turn and see the crest of yet another hill. We know the road leads on to tomorrow, next year, forever.
